Research Internships in Science and Engineering (RISE) Worldwide

Dear Prof. Gupta,

After the successful completion of the programme "Research Internships in Science and Engineering (RISE) Worldwide" in 2018 in which DAAD funded 223 German students, going to 44 different countries, we are pleased to announce a new call for the year 2019. Kindly refer to the attached announcement and information flyer for your ready reference.

Under this programme scheme, Indian research groups, laboratories and professors employed by or affiliated with an accredited academic institution or a non-profit research institution, working in the field of Science and Engineering can apply to invite and host a motivated and well-qualified undergraduate student from Germany as a research intern in their proposed research projects in India.

The timeline for registering online under this programme is from **1st September till 15th October, 2018.**

The selected German interns will be awarded the DAAD scholarship to cover insurance, travel costs and living expenses in India.

Detailed information about the above-mentioned programme is available on the website: www.daad.de/rise-worldwide

If you have any further queries regarding the RISE Worldwide programme, please do not hesitate to contact Ms. Ishika D Monty, Programme Officer whose contact details are mentioned in the announcement.

Yours sincerely,

Heike Mock
Director
