**TECHNICAL EDUCATION QUALITY IMPROVEMENT PROGRAMME [TEQIP]
PHASE - III**

SELECTION CRITERIA FOR INTERNAL AUDITOR/STATUTORY AUDIT

1. SELECTION METHOD:

Selection is made following the 'Quality and Cost based Selection' [QCBS] as per paragraph 2.1 of the Guidelines: Selection and Employment of Consultants by World Bank Borrower, January 2011. This method uses a competitive process among short-listed firms that takes into account the quality of the proposal and the cost of the services in the selection of the successful firm. The final ranking will be done by applying a weightage of 75 percent and 25 percent respectively to the technical financial score of each evaluated qualifying Technical and Financial Proposal and then computing the relevant combined total score for each bidder.

The selection process shall include the following steps:

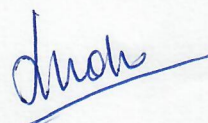

- (a) Preparation of the TOR;
- (b) Preparation of cost estimate and the budget, and short-listing criteria;
- (c) Advertising;
- (d) Preparation of the short list of consultants;
- (e) Preparation and issuance of the RFP (which should include: the Letter of Invitation (LOI), Instructions to Consultants (ITC), the TOR, and the proposed draft contract);
- (f) Receipt of proposals;
- (g) Evaluation of technical proposals: consideration of quality;
- (h) Public opening of financial proposals;
- (i) Evaluation of financial proposal;
- (j) Final evaluation of quality and cost; and
- (k) Award of the contract to the selected firm.

For this purpose of assessing the proposal, an Evaluation Committee needs to be formed by each SPIU. Evaluation and appointment of the project auditor is done following a two stage process i.e. the Expression of Interest (EoI) stage and the Request for Proposal (RFP) stage. At each stage, the applicant private audit firms are evaluated on pre-determined parameters. In response to the EoI, audit firms may indicate their interest in one or more SPIUs. Separate shortlists will be prepared and evaluation process shall be followed for selecting the auditor therein for each SPIU.

2. APPOINTMENT OF AUDITORS

The auditors will be appointed in accordance with the guidelines for procurement of consultants as contained in the Procurement Manual of the Project. The process of appointment should be completed before the commencement of the FY for which the audit is to be done. The auditors may be appointed initially for a period of two year and then for another year, subject to annual performance review. This will ensure continuity and the auditors will be able to assess the progress over time. However, in case of re-appointment of the same auditor –

- ensure compliance with the Procurement Guidelines of the Manual; and
- re-confirm that the audit firm continues to satisfy the eligibility criteria as prescribed in the ToR.

3. ELIGIBILITY CRITERIA:

SPIU calls for EoIs from PAFs through advertisement. The EoI includes information on the required qualifications and experience of the firm, short listing criteria, and conflict of interest provisions. For any PAF to be considered for appointment as external auditors to audit Bank supported projects, it shall meet the Minimum Eligibility Criteria specified below. Failure to satisfy any of the Minimum Eligibility Criteria renders the firm not eligible for the assignment. The mandatory criterions are:
