Position of the 5 Years Contractual Faculty:

The services of the 5 Assistant Professors on 5 Years Contract viz. Mr. Suman Majumder , Mrs. Krishnarti De, Mr. Sandeep Kumar Dash, Mr. Ramesh Kumar & Mr. Anagha Bhattacharya was extended for the 3rd time by the 24th BoG meeting on 19.01.2021 as above. As per the decision of the Board, extension was considered for 6 months ending on 30.06.2021, during which period they are expected to obtain their Ph.D degrees. The total years extended beyond the contract period of 5 years is 2 1/2 years.

Now that the period is concluding, the Institute's Committee on its meeting on Dt.23.06.2021 reviewed their respective status as to completion of their Ph.D degrees, as under-mentioned: Copy of Minutes of the Meeting is placed at **Annexure - V of BoG 27.3.**

Sl. No	Name of the Faculty	Progress Status
1	Mr. Suman Majumder Electrical & Electronics Engg.	Ph.D degree has been obtained. Provisional Certificate issued.
2	Mrs. Krishnarti De Electrical & Electronics Engg.	Ph.D degree has been obtained. Provisional Certificate issued.
3	Mr. Sandeep Kumar Dash Computer Science Engg.	Ph.D degree has been obtained. Provisional Certificate is issued.
4	Mr. Ramesh Kumar Electrical & Electronics Engg	Ph.D thesis has been submitted. Report is awaited
5	Mr. Anagha Bhattacharya Electrical & Electronics Engg.	Thesis not yet submitted

For Sl. No. 1-3, progress made is satisfactory, given that they were enabled to wind up their Ph.Ds within the extended period, i.e. within 7 1/2 years.

For Sl. No. 4, since the faculty has already submitted his thesis, the report from NIT Silchar is awaited and is anticipated that could materialize within 3 months. Therefore, **Mr. Ramesh Kumar's** service may need to be extended for 3 months to complete

his Ph.D. i.e. upto 30.09.2021, on humanitarian grounds.

For Sl. No. 5, it is learnt that **Mr. Anagha Bhattacharya** has made progress in his research but has yet failed to submit his thesis within 7 ½ years extended period. The Institute has therefore, sought the progress report, attendance & duration required for thesis submission from Mr. A. Bhattacharya's supervisors at Jadavpur University. The report from his Supervisor has been received through email and copy of the Supervisor's Report and Recommendation is placed at **Annexure - VI of BoG 27.3**

As understood from their Supervisors from NIT Silchar and Jadavpur University, Mr. Ramesh Kumar requires additional 3 months and Mr. Anagha Bhattacharya requires additional 8 months, beyond 30.06.2021 i.e upto 30.09.2021 and 28.02.2022 respectively, for completion of their Ph.Ds.

On close introspection of the decision of the 24th BoG, it is indicative that further extension of service for Mr. Ramesh Kumar and Mr. Anagha Bhattacharya is no longer viable.

It may however be highlighted that Mr. Ramesh Kumar is on the verge of completing his Ph.D while Mr. Anagha Bhattacharya yet requires 6-8 months more, therefore, it is pertinent to mention that the additional extension of service ensure their service regularization, in the near future.

Though the services of Mr. Ramesh Kumar and Mr. Anagha Bhattacharya are yet maintained in the Institute beyond 30.06.2021, till date, the question of payment of their Pay and Allowances for the month of July, 2021, further requires the explicit decision of the BOG, NIT Mizoram.

With the month of July, 2021 due for closure and with the said teachers i.e Mr. Ramesh Kumar and Mr. Anagha Bhattacharya having rendered their services for the said month, payment of their Pay and Allowances for July, 2021 is a liability; as non-payment could attract as infringement on the fundamental rights of the said teaching Faculties.

Given the aforesaid, the pay & allowances of July, 2021 maybe released to them.

But, given the critical juncture that the said teachers stand in & the possible overture that could face them (of their services not being extended by the BoG), the said teachers have been informed to willingly sign an Undertaking(s) - that the disbursal of Pay & Allowances for July 2021 is subject to the decision of the BoG & in the event of the BoG decision negating their extension, they would be required to refund the said payment, in full, within 10 days' time.

The Board may therefore deliberate on the services of Mr. Ramesh

Kumar and Mr. Anagha Bhattacharya, Assistant Professors on 5 years contract, Dept of Electrical & Electronic Engg, NIT Mizoram for additional **3 months in case of Mr. Ramesh Kumar** w.e.f. 01.07.2021 – 30.09.2021 & for additional **8 months in case of Mr. Anagha Bhattacharya** w.e.f 01.07.2021 – 28.02.2022 from the date of expiry of their third extension, respectively.

The above matter was placed before the Board of Governors for decision through Approval, by Circulation. The agenda was therefore, circulated on 23rd July, 2021 and re-circulated on 29th July, 2021.

Comments/ approval received are as under-mentioned:

Sl. No	Name of the Board Member	Date of reply	Remarks
1	Prof. P.K. Ray Professor	27.07.2021	I have now gone through the agenda items and decisions as proposed. I hereto agree with the decision.
2	Dr. Ranjita Das Asst. Professor NIT Mizoram	27.06.2021	In my view, two of the faculties' services extension may be considered for the following reasons: 1. First of all, their contribution to the growth of the Institute is tremendous as due to the scarcity of the regular faculties, faculties used to be overburdened with academic and administrative tasks. 2. Moreover, the ongoing covid19 pandemic has impacted a lot of research work due to poor lab access (for experiment). Keeping this in view, I hope their case may be viewed as a humanitarian ground and extension may be given.
3	Er. Vanlaldusaka Secretary (Retd.) PWD, Mizoram	27.06.2021	1. The extension of service of Mr. Ramesh Kumar, Asst. Professor on 5 years contract, Department of Electrical & Electronic Engg., NIT Mizoram for additional 3 months w.e.f 01.07.2021 - 30.09.2021 from the date of expiry of his third extension is recommended for approval. 2. The extension of service of Mr. Anagha Bhattacharya, Asst. Professor on 5 years contract, Department of Electrical &

			Electronic Engg., NIT Mizoram for additional 3 months w.e.f 01.07.2021 - 30.09.2021 from the date of expiry of his third extension is recommended for approval.
4	Shri Anil Kumar Director (Finance)	29.07.2021	Matter has been discussed with JS&FA. And it is suggested that Institute may stick to the earlier board decision in this regard as per 24th BoG Meeting. Necessary action may be taken accordingly.
5	Shri Janaki Viswanathan Section officer (IFD) MoE	02.08.2021	It has been decided with the approval of JS&FA to stick to the earlier board decision of 24th BoG Meeting held on 26.03.2021, which is reproduced as under: "However, the afore mentioned Assistant Professors on contract basis (5 years) may not be viable for further extensions for completion of their Ph.Ds. They shall have to complete their Ph.Ds within the current extended period positively"/
6	NITs Bureau	4th August 2021	Assess the progress of Ph.D work in case of both the faculty, and place their progress along with the report on their performance in teaching and conduct, within next seven days before a regular Board meeting (instead of taking a call through circulation) for reaching at a decision".

Given the above and in concert to the comments of the NITs Bureau , necessary action has been taken to conduct a regular meeting of the Board exclusively for the issue relating to proposal of extension of the service of the Asst. Professors on Contract beyond 5 years period.

The line of actions initiated to obtain the detailed progress report of Ph.D and the performance report in teaching and conduct were relayed to the respective Supervisors at NIT Silchar and Jadavpur University and to the HoD, EEE, copies at **Annexure -VII of BoG 27.3.**

The response received from the respective Supervisors of NIT Silchar and Jadavpur University and the HoD, EEE, NIT Mizoram may be referred at **Annexure - VIII of BoG 27.3.**
