परिपत्र / CIRCULAR

Sub: Call for Scholarship Application for the Academic Year 2019-20 – reg.

It is to inform the Scholarship Aspirant(s) that the National Scholarship Portal (NSP) is active and is advised to go through the various Schemes available at the Portal. Scholarship Aspirant(s) must note that all the Schemes available in the Portal won't be active at the same time, so check the NSP periodically for updates. Before selecting the Scheme for application, it is expected that eligibility criteria are verified by the Scholarship Aspirant(s). Also, each Scheme has its own set guidelines for Entitlement, and thus scheme to scheme admissible grant vary.

Besides, Scholarship Aspirant may explore other avenues (other than NSP) such as respective State Government Scholarship Scheme, UGC Ishan Uday, and ONGC, etc.

There are two categories of Scholarship Aspirant: FRESH (one who is applying for the First time) and RENEWAL (one who has already received Scholarship in the previous year(s)). The procedure for Scholarship Application remains the same for both the category.

Scholarship aspirants are informed

- ◆ To fill the Online Application Form through NSP with uploading of the necessary documents in the portal. Instructions are available in the NSP.
- ◆ Once the Application Form is submitted online, they are informed to submit a copy of the Application Form submitted through NSP along with all the necessary documents (such as Caste Certificate, Income Certificate, Bonafide Certificate, Fees Receipt, Stationery Bill (if applicable, see the guidelines of the Scheme) and Laptop Purchase Bill (if applicable, see the guidelines of the Scheme) etc.) for Institute Level Verification.
- ◆ While submitting the Application Form, 6 (Six) additional Scholarship Form needs to be enclosed. These forms are available at the 'Scholarship' webpage of the Institute website.
- ◆ It is expected that the Scholarship Application Form is submitted at least 10 days before the dateline of the last date as specified in the Portal for that particular Scheme for Institute Level Verification. Application submitted online and not for Institute Level Verification by the last date [of verification] would be marked as 'Defective'.

- ◆ There may be instances where the desired Scholarship Scheme may not be available at NSP and need to be made through other portal or in OFFLINE mode. Procedure for Institute Level verification remains the same irrespective of the medium through which the Scholarship Application is made.

Scholarship Aspirant needs to understand the fact that submission of Scholarship Application and subsequent verification at Institute Level doesn't guarantee the award of Scholarship. Institute is just a facilitator to verify the credential of data stated by the Scholarship Aspirant(s) in their Application Form and forward their Application to respective Agency (Agency whose Scheme the Scholarship Aspirant has applied for).

Scholarship Aspirant may apply for multiple Schemes/Agency. However, if selected/awarded for Scholarship by more than one Agency, then he/she needs to choose only one Scheme/Agency and forfeit the claim of the rest.

For details, please refer to the Circular(s) available at the 'Scholarship' Webpage of the Institute website. And for any query, you may contact the undersigned.
