CIRCULAR

It has been observed that a number of the fraternity of NIT Mizoram have been applying for jobs elsewhere without conforming to the general principles of '**forwarding of applications for other employment**' stipulated by the Govt. of India and Schedule 'D' of the First Statutes under the NIT Act 2007.

In future, all regular employees of NIT Mizoram are urged to comply to the under-mentioned standing procedures/norms as:

- (i) Prior permission shall be sought by those seeking jobs elsewhere and request for forwarding of the application, accompanied by the relevant advertisement. Applications (applicants) which are not forwarded by the Institute will stand to forfeit counting of their past service.
- (ii) Seeking of 'No Objection Certificate' (NoC) after being short-listed and called for interview without complying to (i) above shall not be entertained. However, if the application had been forwarded by the Institute and if the organisation where applied to insists on the issuance of the NoC, the issue will be dealt on a case-to-case basis.
- (iii) Advance copies may be sent by the Govt. servant but information/permission for forwarding the applications may be sought for without delay.
- (iv) In cases where Govt. servants apply for posts in response to UPSC advertisements, they may however apply directly to the UPSC but it is reiterated that the Institute is to be informed and to seek permission for interviews.

- (v) The import of the Govt. of India stipulations and Schedule 'D' of the First Statutes under the NIT Act 2007 stands reiterated for strict observance.
- (vi) All applications to be forwarded shall be submitted to the undersigned.
